PREVENTIVE MEDICINE SPECIALIST COURSE PREREQUISITES CRS 322-91S10

EFFECTIVE: 01 OCT 01

LAST UPDATED: 01 MAY 02

Active Army SPC and below, Reserve Component SGT and below, and DOD civilians. Active Army and Reserve Component soldiers with a MOS 91A, 91WM6, 91K, 91P, and 91V will not be considered. Soldiers cannot apply for this course until the end of their first term of service. The **minimum time in service remaining requirement upon completion of this course is 13 months for Active Army**. The requirement for the Reserve Component is governed by NGR 351-1 (3 Years) or AR 135-200 (2 Years). A minimum ASVAB score **(ST) of 102 is required**. Height and weight must be IAW AR 600-9. Soldiers must not have a physical profile greater than 222221. Enlisted women who are pregnant must be processed IAW AR 635-200. Soldiers will not have a record of severe allergic reactions to insect bites or stings. Normal color vision is required. **Applicants must have credit for one year of biology, chemistry, and algebra with a "C" average or higher** (pre-algebra is not acceptable). Algebra and chemistry courses or proficiency exams recognized by an Army Education Center fulfill this requirement. Official high school/college transcripts are required.

Prior to the departure from home station, soldiers are required to reenlist or extend their term of enlistment in order to fulfill the time in service (TIS) remaining requirement upon completion of the course.

SPECIAL INFORMATION: Reserve Component soldiers will arrive at Fort Sam Houston with the following items MPRJ 201 file, Medical Record, Dental Record and complete basic clothing issue, to include running shoes. Waiver request must be submitted utilizing DA Form 4187 and include copies of their DA Form 2A (or ERB), DA Form 2-1, and any letters of recommendation from the chain of command. **ALL REQUEST FOR WAIVERS MUST BE SUBMITTED TO: CDR, AMEDD Center & School, AMEDD Personnel Proponent Directorate ATTN: MCCS-DE, 1400 E. Grayson Street, Fort Sam Houston, TX 78234-5052.** NOTE: It is recommended that the applicants complete a refresher course in biology or equivalent at any Army Education Center prior to attendance. It is also recommended that you have your official transcripts in hand upon reporting for training.
